

Pet Valu

Client : Pet Valu

Location : Leymoyne, Pennsylvania

Product : Van Gogh VGW33T Copper Gum

Sector : Retail

"We looked at quite a bit of flooring, and researched a number of flooring manufacturers. Friends in the flooring business recommended Karndean because a large, well-known retailer in our area had successfully used their flooring systems. I met with Karndean at the Global Shop Show in Las Vegas, reviewed the product lines, and was very excited about what I saw."

Joe Dent, US General Manager
